

A dark photograph capturing a light painting of the word "LOVE". The letters are formed by glowing yellow lines against a black background. The "L" is on the left, featuring a small loop at its top. The "O" is a simple circle. The "V" is a downward-sloping line with a slight curve. The "E" has a vertical stem with a horizontal bar extending to the right. The entire word is centered horizontally, with some faint, blurry light trails visible on the far left and right edges.

LOVE
